To the Parish Family of Holy Ghost Church,

As the Easter Season draws to a close we hear from Saint John of the cure of the man born blind. Jesus does what his Father has sent Him to do – He opens the eyes of the blind man so that he may grow in his faith. A whole new world and life is presented to this man who had lived in total darkness.

Why tell us this story? It is because Jesus wishes to open our eyes so that we no longer live in darkness and sin. Through His words and His actions He shows us how to live as His disciples and faithful daughters and sons of His Father. May we use the power of the Lord's Resurrection to hear His words and put them into action in our lives.....Fr. Robert
